Reflection

LISTEN TO YOUR DREAMS

God visits Solomon in a dream, and the scripture story nowhere tells us that Solomon awoke to have this conversation with God! So, still in his dream, Solomon answers God's question about what he desires most, and God grants his request for wisdom in abundance.

In our waking hours, we are much distracted by work, home, family, traffic, entertainment, and many worries. When we try to think about what we really want out of life, we have trouble even imagining what that might be. But deep inside, our real longings dwell, known to God and to the Holy Spirit. Our dreams, unencumbered by defenses, may hold clues to what our deepest needs are, or what bothers us most.

They could be God speaking.
