GOD'S LAWS

God's laws are
not intended
to burden or
torment us.

Instead they are
guideposts that point us in the
direction of good living. Accordingly, good living
requires loving God and loving one another. We
should not follow God's laws out of fear of what
might happen if we don't, but rather view them as a
foundation for building relationships and trust with
one another and with God.

The *Shema* prayer of Orthodox Jews is based on
the reading from Deuteronomy today, "Hear, O
Israel." Every morning people recite the prayer as a
profession of their love for God and pledge their
obedience to God throughout the day. They pass on
their love of God to their children, from one
generation to the next.

IS BLIND FAITH A VIRTUE?

The "heart" is often contrasted against "head knowledge" in the Christian faith. Is it actually more virtuous to rely less on the intellect when it comes to matters of religion? What then is faith and what is the role of reason? Explore this issue through the teaching of John Paul II's encyclical Faith and Reason and discover how this is critical in the task of evangelization.
