A LITTLE FAITH

Today our readings are about faith, frustration, and how much is enough. Habakkuk is a complainer having an argument with God. Timothy is encouraging a community challenged by cowardice and the apostles want more faith than they have. Things aren't happening fast enough for any of them or for us. All of them and we want God to do something sooner rather than later and we want God to give us a reason to believe that it will all work out. What does God do? God puts it back on them—and us—telling Habakkuk to describe the world he wants; telling the apostles to do more than the expected. Doing more with less is a familiar phrase today and a reminder that a little faith may be enough even for the most difficult times. Copyright © J. S. Paluch Co.
