FR HENRY'S MESSAGE

Dear all,

We were told that Churches are permitted to be open for private worship during phase 1 of Safe Re-opening, subjected to MCCY guidelines.

Though we are keen to open the church doors for worship (private worship for now), the Parish needs to be fully equipped logistically before this can happen. It takes time and effort in many areas of administrative and practical arrangements to ensure a safe environment for everyone to worship.

For now, we are not ready, and our church will not be opened. We shall endeavor to get the processes in order, and we will provide you with further updates via our various platforms. God bless.
