

Special Needs Integrated Mass

The Parent Support Group for Special Needs expresses our deep appreciation for the Church community's participation in the Special Needs Mass and Road Show on April 14, 2024. The event was enriched by your solid support, highlighting the values of inclusion, diversity, and understanding. The collective display of kindness and compassion inspired everyone. Visit the Church website to read the appreciation notes from the participants.

Thank you Thank you Thank you Thank you Thank you Thank you

Special Needs Integrated Mass @ 11.30am

14 April 24

“It's a very meaningful event. My boy was very excited to be able to attend mass.

Thank you very much to the organising team. It means a lot!”

The mass welcomed everyone, regardless of their background. We all felt welcome, the parents know they are not alone.

“It was great to finally be able to come to church as a family. Trevor is a special needs boy. Our family don't bring him to church for the fear that he may disturb other parishioners. Really appreciative of the effort to hold the special needs mass.”

“Surprised to see the special need community taking part as Lector, Prayers and even leading the whole community in hymns, the congregation enjoying the eucharistic celebration as one family.”

“Felt we are not alone and blessed. Prayed for others who had more severe condition than our child.”
